Devon Fisher – May 6

PRACTICE:

We will continue to practice on Saturdays at R A Riddell School until June 17. Practice will go from 9:30 am until 1:00 pm. We also want to have 1 practice in July and 1 in August before starting back up in the middle of September.

We are asking all members to let us know what their summer schedule looks like so that we can pick a day and time when most members can attend.

UPCOMING EVENTS:

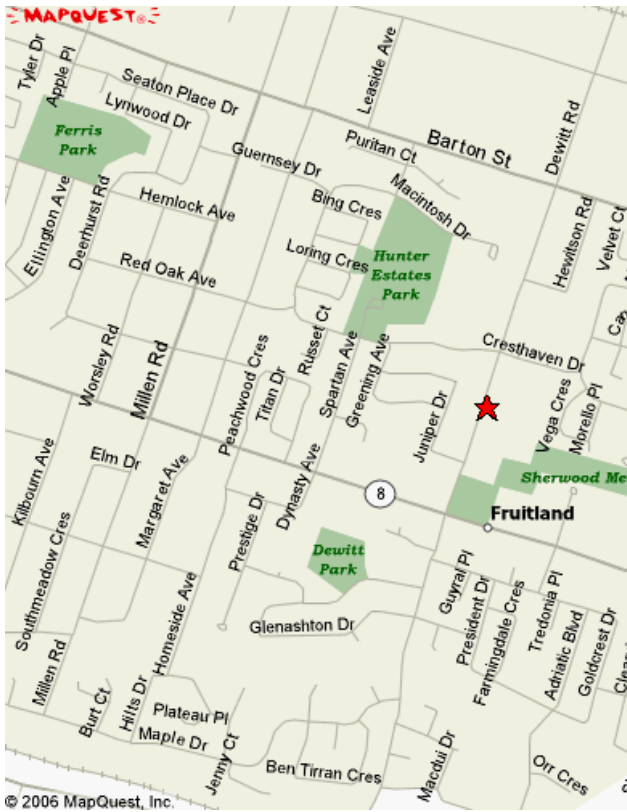

April 30 – Orchard Park High School

Our last performance will be on Sunday afternoon at Orchard Park High School. Members of the percussion and Prizm Winter Guard should meet at noon at the High School. Look for our trailer. The High school is on 200 Dewitt Rd (near Hwy 8), Stoney Creek.

Performance Times:

Steel City Sound	2:40 PM
Prizm Winter Guard	3:28 PM
Retreat	4:20 PM

Members can be picked up at 5 PM. Bring snack money.

SPONSORS:

Steel City Sound and Prizm Winter Guard are looking for business sponsors. For \$500 or \$1000 per year they get recognition at all our performances, advertising on our website and their name as a sponsor on our trailer. We also need a business to buy us a new set of bass drums and quads. The cost of this would be \$2500.

2006 / 2007

We are going to get our music ready for next year. We want the percussion to start competing in the New York Percussion circuit. They will need to do some movement to compete but we will work on getting some lighter bass drums. The first year we might just do 2 shows in New York State and 1 show in Michigan near Detroit.

Prizm Winter Guard will also get started on their new show. Now is the time to bring out any new members.

CONGRATULATIONS:

What a great performance and show put on by our members on April 22 at Sherwood High School. Special thanks to all the parents and volunteers for their hard work. This was our most successful event ever.
