PARADES:

It looks like we won't be ready for parades until early October. I want to start doing them as soon as possible to bring in extra money.

We need a bigger trailer or cube van to pull our existing trailer as well as more equipment. Parades mean more trips and adventures as well. We have uniforms and marching drums.

PRACTICE:

Our last practice for this season will be June 25. We will break early that day for pizza and drinks. Practice will continue on Saturday mornings when we start back up at R A Ridell School in September.

SUMMER BREAK:

At this time I want to say how proud I am of our members as I look back on the year. We have come a long way. The horn line improves every week. The guard and percussion sections did a fantastic job. We are planning to start back up the middle of September. Watch for our September newsletter. This would be a great time to bring out friends and relatives. Next year there will be a couple new instructors to help us reach our goals.

BINGO:

Members 16 years old and older who want to work summer bingo please let me know. You can make some spending money as we do pay an honorarium.

**Have a safe and
happy summer.**
